As it relates to Request No. 3, your request for those documents is granted. As it relates to Request No. 5, your request is denied as DHC does not have any such reports.

As it relates to Request No. 6, your request is denied as DHC does not have any such logs.

As it relates to Request No. 7, your request is denied as DHC does not have any such documents.

Please see the attached Certificates of Non-Existence related to the denial of Requests 4-7.

Your request that documents related to this request be provided on a rolling basis as they become available is denied. The Michigan Freedom of Information Act at MCL 15.233(1) permits the subscription to "future issuances of public records that are created, issued, or disseminated on a **regular** basis". The documents you seek are not such documents so your request is denied. If you desire the records in the future, you can submit a subsequent request for them.

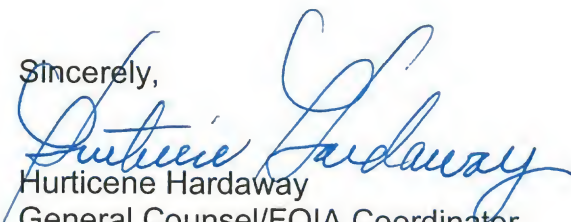

You have the right to appeal this denial by doing the following:

- 1) Within ten (10) days of receipt of this denial, you may submit a written appeal to DHC's Executive Director, which specifically states the word "appeal" and states the reason or reasons the denial should be reversed.

OR

- 2) Within one hundred eighty (180) days of receipt of this denial, you may commence an action in the Circuit Court to compel disclosure. Should you prevail, you will be entitled to have reasonable attorneys' fees, costs and disbursements assessed against DHC by the court. If you or DHC prevails in part, the court may, in its discretion, award you all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. If the Court determines that DHC has been arbitrary and capricious in its denial, you will be entitled to, in addition to actual damages, punitive damages in the amount of \$1,000.00.

Sincerely,
